WORKING HARD ALL YEAR ROUND

A year has passed since David Meikle was elected as the Scottish Conservative & Unionist councillor for the new Pollokshields Ward. David was delighted to be re-elected for a third term on the Council with a huge increase in his vote.

David says: "I want to say 'Thank You' to every one who voted for me at last year's local election. It is a real honour that people have placed their trust in me again. I have been working hard all year round to improve the communities that make up the Pollokshields Ward.

"I thought it would be helpful to outline the three key aspects to my role as a councillor. The first is representing residents on the Council and, for my part, ensuring that their voice is heard during Council discussions, particularly at the Pollokshields Area Partnership.

"The second is helping to shape the Council's policies, which affect the delivery of services throughout Glasgow. I do this by contributing to debates on committees in my roles as a member of the City Administration Committee and Convener of the Finance & Audit Scrutiny Committee.

"The third and most rewarding part of being a councillor is helping constituents, businesses and local organisations with any issues they might have. I try to attend the four community councils and hold advice surgeries. I also like to keep in touch through leaflets like this and I send out monthly email newsletters. I would encourage residents to sign up to receive them via my website."

David was delighted to be joined in the City Chambers by seven Party colleagues. Over the last year David has acted as Conservative Group Leader. All members of the Group actively contribute to the workings of the Council and aim to deliver on the Group's 5-point plan manifesto, which was supported in record numbers by the people of Glasgow.

As well as his role as a councillor, David is now a father and took some time off last year when his baby daughter was born.

David says: "You can give me your views by completing the survey on the back page. If you want to get in touch with me about any local issue, please contact me using the details opposite."

David has attended Dumbreck Community Council's public meetings on traffic and parking issues in the area. It is hoped the Ibrox Event Day Parking Zone will ease problems if it is approved and comes into place.
